

<b>Client</b>	Netto UK
<b>Services</b>	Manufactured and Installed Eleven Semi-Automatic Pre-Stretch Pallet Wrappers
<b>Stage</b>	Completed

In a deal worth close to £70,000. Netto specified eleven semi-automatic pre-stretch pallet wrappers, eight for Pontefract and three for Daventry.

*"We've been delighted with the performance of the Orion stretch wrappers to date. They are really easy to use – all the staff have to do is place the end of the wrap on the bottom of the pallet and press a button."*

*"The Orion machines require little maintenance and provide consistent, reliable performance – overall we are delighted with our investment."*
